### Principal’s News

**Lesson Observations**

Over the next few weeks Mrs Alison Bradford and I will be conducting lesson observations. The purpose of the lesson observations is to provide feedback to teachers around our Explicit Teaching improvement agenda.

The focuses for the observations:

**Lesson Delivery**

Consolidations (Warm Ups) - content covered is extending our students. In the numeracy consolidation half the content focuses on the number strand and half on the remaining stands - measurement, space, chance and data.

**Lesson Opening**

At the start of the lesson students are made aware of the intention of the lesson (WALT – We are learning to....), how they can be successful (WILF – What I looking for....) and why the lesson is important (TIB – This is because....).
I Do

In the modelled part of the lesson the teacher is using - think aloud / self-talk. This allows students to better understand the thought processes to complete tasks.

We Do

Teachers guide students in performing the skill or strategy. Activities are scaffolded in order of difficulty with students responding frequently through oral, written and action responses. Students are provided physical, verbal and visual prompts with activities that match all problem types found in the Independent Practice (You DO).

You Do

Students work independently to complete tasks while teachers monitor and check student understanding. Teachers re-teaching skills/concepts in small groups. Teachers set minimum expectations for quantity and quality of work to be completed.

Highly Effective Strategies –

Students are –

- Actively participating in the lesson – responding verbally, with actions or on mini whiteboards
- Pair Share - students converse with each other to reinforce the steps or key elements of the lesson

Homework Expectations

Last year our P & C endorsed our Homework Policy in response to research and data. Students will undertake homework tasks as follows:

**Prep:** Read a book - Mon-Thurs - either the prep student reads from a levelled text at her/his instructional level, or an adult read TO the child.

**Years 1-2:** Read a levelled text at the child’s instructional Level One spelling activity per day

**Years 3-4:** Read a levelled text at the child’s instructional level OR a Bubble-Along book if the child is an independent reader with proficient comprehension skills one spelling activity per day

**Years 5 -6:** Read a levelled text at the child’s instructional level OR a Bubble-Along book if the child is an independent reader with proficient comprehension skills Spelling Activity one per Math activity one per day

NB Year 6 homework in Term 4 will begin to replicate the expectations required at Proserpine State High School to assist students in their transition to secondary school.

Prep 2017

Do you have a child or know somebody with a child age appropriate for Prep in 2017?

If so, please enrol or encourage them to enrol as soon as you can so we can ensure a smooth transition to formal schooling and staff our school accordingly. Families are invited to contact the office to arrange a walkthrough with myself through our school to gain an insight into prep at Proserpine SS.

Principal

Deputy Principal's News

School Opinion Survey

Thank you to those parents who completed the online 2016 School Opinion Survey. The surveys are designed to help schools identify what they do well and how they can improve and responses are confidential. This survey is now closed and results will be available to the school early Term 4. Thank you also to students and school staff who took part and contributed to this year’s surveys.

Certificate of Academic Commendation Awards for Semester 1 2016

Recently we held our Assembly for those students who received a Certificate of Achievement for their academic achievements in semester 1. The students received these Certificates of Achievement for demonstrating significant progress and application in learning for Semester 1 and were awarded to students who made significant improvement in a National Curriculum KLA, English, Math, Science, History, Geography, Physical Education. These students have gone up one or more ratings from Sem. 2, 2015 to Sem. 1, 2016 in two or more KLAs. There were 93 students from Yrs 1-6 who received awards, please enjoy the photos.

National Tree Planting Day

Last Friday our school participated in this year’s National Tree Planting Day by planting some lovely Lillypillys along our fence line that borders the houses to add some more colour and shade to that area. The Reef Guardian students and all of our Prep classes were involved in planting the trees with the help of Mr Smith, our groundsman. The Prep students enjoyed completing this activity with the older students and learnt how plant’s needs roots, soil and water to grow.

PSHS Japanese Study Tour students

Last week during their LOTE classes some of our students were visited by a group of Japanese Study Tour students from a school in Tokyo. The Japanese students worked in groups
with our students sharing language and making origami. This activity was enjoyed by all students and the Japanese teachers enjoyed having a look through our school, they were particularly impressed with the size of our oval as most schools in Japan don’t have this asset. Thank you to Mrs Blair for organising this valuable experience for our students.

**Prep DB Scientists**

Students from PDB have been learning about Living Things and spent some time at the Chicken Pen observing that chickens need food, water and shelter to keep them alive. They also did some fantastic drawings and were enthusiastic about learning as much as they could about the chickens.

Great work PDB, enjoy the photos:

**Curriculum Matters**

**School Opinion Surveys**

A suite of School Opinion Surveys are undertaken each year by the Department of Education and Training to obtain opinion information from parents/caregivers, students and school staff. The surveys are designed to help schools identify what they do well and how they can improve.

Last week computer-selected Year 5 and Year 6 students undertook the task of completing the online School Opinion Survey. In their survey they were asked to respond to questions about curriculum such as:

- I am getting a good education at this school.
- My English skills are being developed at this school.
- My Math skills are being developed at this school.
- I understand how I am being assessed at this school.
- My school work challenges me to think.
- My teachers provide me with useful feedback.
- Teachers clearly explain what is required at my school.
- My teachers help me with my schoolwork when I need it.

The students who completed this survey are to be commended for their deep thinking and reflection. I look forward to seeing our results in the Curriculum area. I also look forward to viewing the SOS Data from parents.

---

**TLC Day**

On Thursday 11th August the whole school will participate in Think, Listen, Communicate Day. In previous years, this has been one day in the school calendar, but this semester we are trialling two such days per term with the focus on The Arts, which will include Visual Art, Media and Drama, and Technology. This is in response to positive feedback from students, the need to look at smarter ways to cater for preferred learning styles amongst our student population and decluttering the curriculum to allow greater lengths of time to be dedicated to English, Math and Science in particular.

What your child participates in will depend on selected tasks and allocated teaching staff. Some kids might do three different strands’ activities with three different teachers, others might do one major task with one teacher, while another group may do two tasks in the one strand with two different teachers.

*We love TLC Day!*  

---

**Planning Days**

In Week 4, class and support teachers will be released for a half-day to work as a team to participate in planning sessions. On these days, we make decisions about around pre-tasks, Know and Do tables, unit alignment, literacy and numeracy demands and sequence of lessons.

**Lee-Anne Dougherty**  
**Head of Curriculum**

**Sports**

**2016 INTERHOUSE ATHLETICS CARNIVAL RESULTS**

The Proserpine State School Athletics Carnival have finally been done and dusted for another year.

Thank you to all those students who participated and gave it their best. All these students should be proud of themselves for getting out there and just having a go. With only 4 points separating first from second it cannot be emphasised enough how important students attending on the day and earning participation points, was to the overall result for their house.

A big thank you needs to go out to Mr Shane Smith for his great behind the scenes work in making our carnival happen. Also to our wonderful teachers and House Captains, Vice Captains and School Leaders for your assistance in helping for the carnivals to run smoothly.

The final results from the carnival are as follows.

- Champion Overall House: **COOK**
- Champion Boy House: **COOK**
- Champion Girl House: **KENNEDY**
- Congratulations all **COOK** House students.
Congratulations to the following students who were recognised as the age champions.

8 Year Old Boys: TAI MASON
8 Year Old Girls: ZOEY DALBY
9 Year Old Boys: BEN VALMADRE
9 Year Old Girls: VIOLETTE MATTHEWS
10 Year Old Boys: DANIEL MOLLER
10 Year Old Girls: MAGENTA TULK
11 Year Old Boys: RYAN BENNETT
11 Year Old Girls: JAYMEE FARR
12 Year Old Boys: KUTA POLLARD
12 Year Old Girls: ABI LEE

This year 2 records were broken which is a fantastic achievement.

Congratulations to JJ O’LOUGHLIN (11 year old) and ANGUS KELLY (9 year old) who broke the shot put records in their respective age groups.

From our school carnival 45 students were selected to represent Proserpine State School at the Proserpine District carnival on Wednesday 27 July. All participating students were fantastic representatives for our school with their effort, performance and overall behaviour.

The Proserpine State School for the 10th year in a row, were again to win the best schools trophy.

The following 24 students were selected in the Proserpine District Athletics Team based on their outstanding performances. Congratulations and all the best at the Whitsunday Trials to be held in Bowen on Tuesday 9th August.

Jack Clow, Daniel Moller, Magenta Tulk, Simone Mitchell, Telicia Tame, Jaymee Farr, Ryan Bennett, Jake Upston, Grace Franke, Jade Botto, Jasmine Turner, Daley Moore, JJ O’loughlin, Mac Rogers, Keely Sinnott, Ethan Hoffmann, Kuta Pollard, Abi Lee, Jye Muller, Feywer White, Blake Hiscox, Jordan Mau, Ryan Giles, Alexis Russell

OTHER SPORTING REPRESENTATIVES

PROSERPINE DISTRICT CRICKET

Recently we have had a number of students from our school selected to represent in Proserpine District Cricket Team:

Ryan Bennett, Lachlan Edmondson, Carey Dwyer, Wil Bernet, Drayer Smith, JJ O’Loughlin and Max Watson.

Congratulations and all the best at the Whitsunday Trials on Friday 5 August.

JORDYN MAU NQ TENNIS REPRESENTATIVE

On 14 June, Jordyn Mau travelled to Home Hill as number 3 player in the Whitsunday tennis team. She played really well resulting in her gaining 2nd position in the NQ tennis team. All the Whitsunday girls make up the NQ team which is a marvellous result.

Jordyn will play in the State trials in Brisbane from 11-14 August. We wish her well and know she will be a wonderful ambassador for the school.

Many thanks go to Kai Collins who represented our district as an adjudicator. He did a wonderful job.

Special Education Services

The Importance of Vision/Hearing screening

The RANZCO (Royal Australian and New Zealand College of Ophthalmologists) Eye Foundation believes eye disorders are one of the most common, yet overlooked, long-term health problems among Australian children. Early detection is the key!
What to look for:
RANZCO Eye Foundation suggests parents take their children to see an ophthalmologist if they notice any of these signs in their children:

- Eyes appear to wander or are crossed.
- Tilting their head to see better.
- Rubbing their eyes when they are not tired.
- Avoiding activities conducted close to the face such as colouring and drawing.
- Squinting to see things.
- Holding books close to their eyes or sitting close to the television.

Why A Hearing Test is Essential
If hearing loss goes undetected the maturation and development of hearing can be affected in the following ways:

- Speech and language may be delayed.
- Social and emotional development can be stunted.
- Success in school may be affected.

The Benefits of Early Intervention
When hearing loss is identified early on children have a greater chance of developing more normal speech, language and learning skills. A skilled audiologist also provides you with valuable support and information.

What if my Child does not pass Screening?
If your child does not pass the initial hearing screening it is important to follow up with a full diagnostic hearing test within 3 months. Intervention can then begin to reduce the effects of hearing loss.

Is Hearing an Ongoing Concern?
Even if your child passes hearing screening we advise you continue watching for signs that hearing is normal.

A full audiological evaluation should be scheduled if your child:

- Does not understand words and is unable to talk at the appropriate stages of development.
- Has frequent ear infections or persistent middle ear fluid
- Is not responding normally to sounds
- Has poor educational outcomes.
- Has problems with balance.

When Should I Schedule a Check-up?
Children with normal hearing should be evaluated regularly.

We strongly advise you organise a hearing test:

- Before kindergarten.
- Before year 1.

Any other time you are concerned about your child’s hearing. Consult your local GP for further information.

Linda Sippel – Head of Special Education Services

Challenge Games 2016
A group of 13 students with a disability from Years 3 - 6 as well as 4 staff attended the Challenge Games in Townsville recently. The purpose of The Challenge Games is to provide two days...
of fun, friendship and participation in a range of sport and fun activities. These activities include running, jumping, throwing and team events plus many other fun/novelty activities. All students participated, according to their own level of interest and ability, in numerous events, winning a chest full of ribbons.

We stayed at the Ryan Community Centre in Kirwan and in addition to participating in the Games; the students enjoyed other recreation activities that is Launch Zone and the All Abilities Playground on Riverways Road.

The camp also posed as a transition activity for the Year 6 students as we shared accommodation and leisure time with a group from the high school.

I would like to thank the staff for giving up their time and also the students for their good behaviour.

We look forward to the 2017 games and an offer from the local QUOTA Club to help fund it.

100 Days of being a Learner at School

Prep KE celebrated 100 days of being a learner at school. The children did various activities throughout the day focusing on 100. They wrote what they would spend $100 on, what they would look like or do when aged 100, counted 100 objects, painted 100 dots and made a 100 crown. Great fun was had by all.

Japanese Students visit Proserpine SS

Last week, as part of their annual visit to Proserpine State High School, 16 students and 3 teachers (including the Principal) from PSHS’s Sister School in Saitama, Japan visited with our Year 5 and 6 classes here at Proserpine SS.

With only limited time that we could fit into their itinerary, classes doubled up to maximise the number of students we could have interacting with the Japanese students during their time at our school.

After some quite nervous initial encounters, our PSS students were very excited to engage with their visitors, with the cultural craft of Origami being a wonderful middle ground for them all to work on and converse in both Japanese and English.

Debriefing from the visits, PSS student comments included the following:

"It was awesome to make different kinds of origami with the Japanese kids, especially the big ones out of newspaper". Daniel (Year 6)

"It was really fun to meet the Japanese Exchange Students." Lara (Year 5)
Late to School or Leaving Early

Just a reminder to parents if your child is late or going to be late please ensure that you phone the office or make sure a parent is present when the child comes in for a late arrival slip. A note is NOT sufficient. This will avoid the school phoning you to make sure you are aware of your child’s whereabouts as it is a requirement of Education Queensland that all students that are late or not attending school are followed up on by the school.

QParents

Android App

The QParents Android App has now launched and is available on the Google Play Store. Android users can download the app for use on their phones and tablets. Parents can find the QParents app by visiting the link below, and searching for ‘QParents’.

https://play.google.com/store
https://qparents.qld.edu.au
http://www.youtube.com/watch?v=RDQUFICR-Q

Register online and then download the FREE IPhone app

Facebook Page

For the latest news and any important school alerts please LIKE the Proserpine State School Facebook page.

It is a key point of information regarding changes to school routine, upcoming events, good news stories etc.

To visit the page click here:
http://www.facebook.com/ProserpineStateSchool

Lost Property

The school is currently updating the location of the lost property. Lost property will now be found outside the administration office.

We encourage all students to have all their possessions labelled so our staff can return to your child’s class.

Student Resource Fees

A reminder that all student resource fees must be paid in FULL, unless prior arrangements have been made with the office.

If you cannot make it into the office on our money days - payments can be taken over the phone via credit card or via Internet with the QParents App, BPoint or direct debit. The office also has a mailbox out the front of the office that you can slip your payment into – please ensure it is in a sealed envelope with your child’s name and class on it for reference.

Cash, Cheque or EFT can be taken on our Money Days - Tuesday and Thursdays.

Tuckshop

For easy online ordering just register on
www.flexischools.com.au

or contact flexischools on 1300 361 769. Alternatively, you can collect further information from the ladies at the tuckshop.

P & C

Next Meeting

Thursday 18th August, 2016 – Resource Centre

The P & C encourages any Parents/ Carers of PSS students to attend the meetings.

School Fete – Country Fair

Fete Meetings

Fete meetings will take place every Thursday 5.30pm in resource centre up until fair day. It would be great to see some new faces to give us ideas and help us plan a fantastic day.

Country Fair

Friday 12th August, 2016
5pm - 9pm

Get Dressed in your best “Country Gear”

Petting Zoo, Fete Stalls, Bar, Food, Music and much much more!

Pre purchase your ride tickets at $ 3.00 from Proserpine State School up until the 8th August, 2016 or $ 3.50 at the fair. Alternatively you can purchase at Fresh Fields Newsagency.

Please refer to the information below to see what activity your child is involved with and what help we would like you to provide. Teachers will send out detailed information as to your Stall and donation requirements. Teachers will be asking for your assistance on fair day and will send home a roster for you to know when you are helping. If you are donating a monetary figure for your year level stall then this can be given to the classroom teacher or office.
Classes | Stall | Parent Contribution
--- | --- | ---
Prep classes | Helium balloons | $5 to contribute to the cost of the items for the stall
Year 1 classes | Bottle stall | Bottles filled with prizes or products. Eg – Hair ties, lollies, bottles of soft drink.
Yr 2 classes | Lucky dip stall | Items for lucky dip, ($2 - $5) eg bubbles, small games, pack of cards, girls bracelets, skipping rope, yo-yos, scrunchies
Year 3 classes | Cake stall | Home-made cakes and slices or home-made lollies
Year 4 classes | Fun foods | $5 to contribute to the cost of the items for the stall
Year 5 classes | Chocolate drop | Chocolates of all sizes, eg Fun size Mars, Snickers, Bars of chocolate, Smarties, Maltesers
Year 6 classes | “Tape Mr T & Mr G” Face painting | $5 towards the costs of items for the stall & to cover costs of Soft Drink to be purchased for drink stall.

Winners of the Colouring Competition

The winners of the colouring competition were announced on assembly last week – Congratulations to the students who won and thank you for the numerous entries, this made the decision very hard to make.

We urgently need pre-loved school polo shirts, if you have any unwanted uniforms we would greatly appreciate it if you could drop them off at the office.

Voluntary contributions to P&C are still able to be made – these contributions go towards the P&C to help support the students and the school.

If you can’t make the opening hours, order forms are available from the Office or you can download an order form from the link below.

Thank you for the donations of pre-loved clothing. More donations would be greatly appreciated.

We sell on a CASH ONLY basis to keep the cost of uniforms down. Thank you for your support.

Community Notices

The Whitsunday Reef Festival

The Whitsunday Reef Festival takes place from Friday August 5 to Sunday August 14 and there is heaps going on!

The free fireworks on the Airlie foreshore kick off the fun on Friday night (Aug 5) with market stalls, carnival rides and a huge all-ages street party. The popular Rotary Street Parade and the Revvin’ the Reef Car Show are the highlights on Saturday (Aug 6) followed by more live music. The Telstra Family Fun Day on Sunday (Aug 7) offers lots of free, fun activities. So get amongst it – it’s your festival! More info visit the link below or find us on Facebook.

WANT YOUR KIDS TO EAT HEALTHY?

Learn from Bel Smith of The Root Cause – dubbed the “Lunchbox Vigilante” by Ch 7 Sunrise – how to transform your child’s lunchbox into a healthy feast that will give their brains and bodies the nutrients and energy they need.

Your child’s lunchbox fuels their growing body and mind - but when their food lacks the nutrition they need, it affects their mood, behaviour and concentration.

This event will give you practical, simple advice that cuts through the confusion on healthy eating, and will help you understand:

- Why lunchbox food is so important
- How to deal with fussy eaters
- What to do if you’re short on time
- How to overcome lunchbox stress
- About additives and preservatives
- How to understand food labels
- What to pack in a healthy lunchbox
- How to ensure your kids LOVE their lunch

Come and enjoy this fun, educational workshop by Bel Smith of The Root Cause, as they stop here on their Australian Tour!

WHEN: Friday 5th August 2016 at 10am sharp for approx 1.5 hrs
WHERE: Whitsunday Neighbourhood Centre 2 Hazelwood Crescent, Cannonvale QLD 4802
COST: $15 per person

Proserpine Golf Club

JULY 16, 23, AUGUST 6, 13 & 20 (9AM – 10AM)
LADIES BEGINNER GOLF CLINICS
Come and Try. Great fun learning a new skill in a relaxed and friendly environment!

The Root Cause

THE ROOT CAUSE are coming to The Whitsunday’s and presenting a Healthy Lunchbox Seminar Event:
Mackay Fostering

Foster carer. Could you be one?

Churches of Christ Care provide a vital safety net to more than 2,000 children across the state who often come from backgrounds of abuse or neglect. But we need your help.

If you have:
- a heart for children in need
- a desire to transform young lives
- a willingness to open up your home.

We'd love to hear from you.
