**Principal's News**

**Changes to Prep**

**PCP**

Last Friday Mr Christien Payne our Prep CP teacher was offered by Regional Office a promotional position as Acting Principal of Collinsville State School. This is a great opportunity for Christien as his goal has been to aspire to become a school leader. He has accepted the offer and will take up the position as of next Monday August 25.

This means for us that we now need to confirm a new teacher to take over his class for the rest of this school year and I am liaising with Regional Office to find the very best replacement we can. As soon as this is confirmed I will inform all parents of PCP through a note home.

Christien Payne has been a great asset to our school and I know he will be very much missed by his current class and the many students’ and their families he has worked with over his years here. He is also a very valued member of our staff and we wish him all the best in this new career choice.
Mrs Lauren Payne who is employed by us as one of our Great Results Guarantee (GRG) teachers will also be joining Christien. She will also be a great loss to our school as the work she has done this year as part of our GRG team has been very beneficial in supporting students in Junior Primary and their teachers. Thank you Lauren for your commitment to the GRG program this year.

**PBE**

As of the start of this term we have continued to enrol new students into our school. As a result of this we have increased our number of students in PBE and the decision was made to move the class to a larger space in the school that was not being utilised. The move was made last weekend and as of last Monday PBE can now be found in P Block next to P/1CD. Thank you to the PBE teachers for spending their weekend preparing the class so it was ready to start on Monday morning.

**NAPLAN**

All schools have been advised that as of this week overall school NAPLAN results are now available and we have just started to review this data. I have included below for your information our results that demonstrate the percentage of our students who achieved at or above the National Minimum Standard which is referred to as NMS across the five areas of NAPLAN testing. Individual student results should arrive in our school by the end of next week and these will be forwarded to parents once they have arrived.

**Book Week**

Over the last two weeks we have been celebrating Book Week across our school with a variety of activities happening including a very special visit from the author Andy Jones who the students thoroughly enjoyed. I would like to thank Mrs Diane O’Donnell for arranging this very special annual event for us.

This year’s theme is Connect to reading – reading to connect. Take a look at the 2014 Book of the Year shortlist and join the fun: [http://cbca.org.au/ShortList-2014.htm](http://cbca.org.au/ShortList-2014.htm)
Principal Position

Education Queensland has recently advertised for the permanent appointment of the Principal position here at our school. We have been informed that the outcome of this will be known by the end of this term. The current Lead Team of Linda Sippel, DP, Natalie Templeton (HOSES) and I will be continuing in our current positions until the end of this year with any changes becoming effective as of the start of the 2015 school year.

Enjoy the sunny weather and have a great two weeks.

**Deputy Principal's News**

**Attendance**

Our attendance percentage to date is 92.4% Our target is 93%

The data is telling us that **Mondays** and **Fridays** are the days of the week that our attendance rate generally decreases. In the school setting these days are very important in terms of learning. Not attending on these days does impact on your child's learning. Monday is used to set up the week of learning. Students who do not attend on these days will have difficulty settling in for the week. Teachers use Fridays to test work completed in the week, finalise and consolidate work that has been learned throughout the week. Continue to communicate...
with your child's teacher to safeguard your child's improvement with their learning and ensure your child is at school every day.

To reach our target of 93% we need to work together. Learning is gold! Every day counts!

Thank you

Iain, Jill and their little one want to thank our school community for their support and well wishes during the birth of Alihra. I am glad to report that both Alihra and her parents are settling in wonderfully in their home.

Yarning Circle assistance

I would like to extend a great big thanks to Chris Warren for donating his time and his digger and placing the rocks into our yarning circle. See School facilities for further information on this project.

School/Community Fund Raising Activities

Unwanted Sports Shoes

In association with Cruise Whitsundays, we will also be conducting a charity drive, collecting pre-loved shoes and forwarding on to their Vinaka Fiji project in the Yasawa Island in Fiji and I’m sure there’s some growing children who have some shoes around the house they no longer need!!

There is a wheelie bin outside our Administration Block where you can drop your unwanted sports shoes in.

Lip Balm project

The line was outside the office, under C Block and round through to the tuckshop on Wednesday seeing the sale of close to 300 lip balms enabling approx. 5 Fijian students to attend school for the year. Not a bad start to a worthwhile project! A big thank you to the Year 7’s and Wayne McHugh (Rev) for their keenness and their sense of world connectedness.

We can change the world - all we need is to work together!
Look forward to working with you towards reaching our attendance target of 93%.

Have a great week.

**School Wide Positive Behaviour**

Positive Behaviour

![How Full is Your Bucket?](image)

**HOW FULL IS YOUR BUCKET?**

We have a great book in our library called “How full is your bucket? This book is about how when we say positive things to people it is like adding water to their bucket but when we say negative things the water drips out and the person is left feeling drained and valueless. Unfortunately, some children do not consider the impact that name calling and put-downs have on the mental health of their peers. Often these names relate to a physical attribute (fatso, long nose, buck teeth), race (nigger, darky, wog), a disability, (spastic, womby, dumbo) or even sometimes related to a family name or issue. All of these names can be extremely hurtful and are usually related to something that the child has no control over.

Please take the time to talk to your children about the manner in which they speak to others and the impact that both positive and negative remarks have on others. If you would like to borrow the book we have several copies of in our library.

Proserpine Poets - P/1 CD

Upon visiting the classrooms this morning I found some budding poets in Mrs Dobe's class. Mrs Dobe published their work in her class powerpoint presentation. I was so impressed I asked their permission to publish it in our newsletter. See below for their exceptional work. Ms Sippel

Junior Choir

The Junior Choir sang “The Daffodil Song” on assembly last week for Cancer week. They did a wonderful job, the first of many. All members should have received a note with the dates and times of known performances.

The Flower Show is on Saturday 13 September at 11.00am and Eisteddfod is in Term 4 Week 3. Days and times have not been sent to us yet. Thank you for returning the form at the bottom of the note sent home to give me some idea of numbers for these events.
4/5 Choir

This choir is singing beautifully and preparing well for the Mackay Eisteddfod.

They will be performing on Assembly on Tuesday 26 August

**Members of these choirs need to have black shoes for Eisteddfod.**

6/7 Glee Club

This very enthusiastic group rehearse on Fridays and are enjoying singing their own choice songs and adding choreography to some.

**Student Support Services**

**Career pathways set for Students with a disability**

A couple of weeks ago the Year 6 and Year 7 students supported by the Special Education Program took part in the Proserpine High School Careers Open Day, as part of their weekly transition visits. Sergeant Cooper and Captain Gilbert from the Royal Australia Air force and Navy talked to us about planning careers.

After we met them Trent said, “I’ve decided to join the army when I’m 19 years old, this is my dream!” Later after the visiting the stalls, Jade said she would like to be a DJ and a graphic artist. Emily would like to work for Wilmar at the Mill. Ideal Placement told us how they could support us when we get out into the workforce.

Yarning circle

It's looking a bit bare at the moment but thanks to Chris Warren and Mr Payne the rocks were placed in our yarning circle over the past two weeks. The next stage will see the placement of a bush tucker garden and other native plants around the circle. Watch this space!

Prep and Year 1 playground

The Preps and Year 1’s can't wait until the new tunnels have been unveiled. We are just waiting for the turf to settle and then they will be ready to play on. Thanks to Merran Gunn, mother of Fynn in P/1CD for the idea and motivation to sculpture our space.

Library News - Book Fair and Dress-up day

Book Fair

In week 7 (25th - 29th August) we will be holding our annual Book Fair. This will be held in the Library/Resource Centre. We will open each morning at 8.15am and close around 3.30pm. Each class has a time they will visit the Book Fair with their class and write out their "Wish List."

Parents are welcome to visit at lunch times or before or after school with their child. If you want to come with your child during their lesson time, please ask your child’s teacher for the time.
If you have a child in the younger grades please explain to them that some items get sold out and we will need to re-order them. Younger students sometimes get upset about this. The child still needs to pay for the item when they re-order. We will put in the re-orders on Friday afternoon so the children get them as soon as possible.

Dress-up day

Friday 29th August is dress-up day. Students are to dress as a book character in keeping with the theme “Connect to Reading.”

We will be holding the parade in the Cyclone Shelter / Multi-Purpose Complex from 10.00am and will go until morning tea.

We will also be announcing the winners of our Book Week competitions.

Please bring donations into the school now. Parents are encouraged to donate not only to your child’s stall but to others, particularly those stalls not run by a year level.

It would be great to have at least one adult helper for an hour from each family on the day of the fete. Community Notices

Proserpine State High School

Commencing with the Year 7 students transitioning to Proserpine State High School in 2015, a new logo and motto is being introduced. The introduction of the new logo will occur gradually with all new Year 7 and Year 8 students purchasing new logo uniforms whilst older students will continue to wear uniforms with the original logo. This staging is aimed at preserving and respecting the “Honour, Serve, Obey” motto of the last 50 years, whilst embracing the future with “Success. Together”. It is hoped that the students who commenced their High School years with the original logo uniforms, will continue to wear these uniforms through to graduation.

This change will be reflected in the sale and issue of uniforms in 2015. NEW logo stock will ONLY be available to Year 7 and Year 8 students who commence High School in 2015. Students in Years 9 - 12 will continue to be supplied with original logo items.

It is stressed that the logo is to be the ONLY change to uniforms. NO variations will be made to the colour or style of formal, day or sport uniforms.

NEW logo stock should be available November 2014 for Year 7 and Year 8 student 2015 enrolments.
