Please note:

- The list is intended for both Sem 1 and Sem 2 but in some instances an individual request may be sent home throughout the year eg when all glue has been used
- The mini-scrapbook (Reflection Journal) should be used each year until it needs replacing; **check that your child's is full before purchasing another**
- LOTE equipment is used each year and, if looked after, does not need to be replaced each school year.
- ALL items must be clearly named**
- A4 books are NOT those which feature pre-cut holes and margins; they are stapled only (not spiral bound or cloth bound)
- In some lists, there are highlighters requested in specific colours. It is essential that these are supplied in the colours listed for use in the teaching and learning of grammar.
- It is worth spending a little more on quality items as they last significantly longer than those purchased at warehouse or cut price type stores.** This has especially been the case with some exercise books and pencils.

*WE ENCOURAGE YOU TO, WHERE POSSIBLE, USE LOCAL SUPPLIERS TO SUPPORT OUR WHITSUNDAYS COMMUNITY, AS THEY DO US EACH YEAR.*

*We look forward to seeing you in 2026!*

*Learning together  
Making a difference*
