Please note:

- The list is intended for both Sem 1 and Sem 2 but in some instances an individual request may be sent home throughout the year eg: when all glue has been used
- The mini-scrapbook (Reflection Journal) should be used each year until it needs replacing; **check that your child's is full before purchasing another**
- LOTE equipment is used each year and, if looked after, does not need to be replaced each school year.
- **ALL items must be clearly named**
- A4 books are NOT those which feature pre-cut holes and margins; they are stapled only (not spiral bound or cloth bound)
- In some lists, there are highlighters requested in specific colours. It is essential that these are supplied in the colours listed for use in the teaching and learning of grammar.
- **It is worth spending a little more on quality items as they last significantly longer than those purchased at warehouse or cut price type stores**. This has especially been the case with some exercise books, whiteboard makrers and pencils.

WE ENCOURAGE YOU TO, WHERE POSSIBLE, USE LOCAL SUPPLIERS TO SUPPORT OUR WHITSUNDAYS COMMUNITY, AS THEY DO US EACH YEAR.

We look forward to seeing you in 2027!
